Hi Dev

Ems C Apr 10, 2025, 3:28 PM

client wants to add a homepage that explains what is happening

Ems C Apr 10, 2025, 3:31 PM

how much do you think this will cost approximately for development for a standard home page?

Me Apr 10, 2025, 3:36 PM

We can design and develop the Homepage as well.

For this, I'll charge \$190 USD with 9-day timeline.

How does this sound to you?

Ems C Apr 10, 2025, 3:39 PM

If no design is needed, only development, how much approx?

Ems C Apr 10, 2025, 3:39 PM

most probably design will have to be done with client

Me Apr 10, 2025, 3:40 PM

Okay, if you provide me with the design, I have to check the design first then I can tell you the cost of the project.

Ems C Apr 10, 2025, 3:41 PM

sure, also send example of what design you can do, then I can see what is working

Ems C Apr 10, 2025, 3:41 PM

sound good?

Me Apr 10, 2025, 3:49 PM

Screenshot 2 (421.97 KB)

Me Apr 10, 2025, 6:18 PM

To design and develop the section - the cost will be \$90 USD.

May I send you a addon offer for this section?

Ems C Apr 11, 2025, 1:48 PM

Ems C Apr 11, 2025, 1:48 PM

If you'd like to make changes yourself, we can add another functionality to the dashboard, but this will slightly increase the charges.

Let me know your thoughts.
